

USMC Expeditionary Power & Energy Symposium

EXPLORE CHALLENGES AND OPPORTUNITIES TO LIGHTEN THE MARINE CORPS' POWER AND ENERGY DEMANDS TODAY AND IN THE FUTURE.

MARRIOTT NEW ORLEANS ► NEW ORLEANS, LA

EVENT #0820

JANUARY 25-27, 2010
WWW.NDIA.ORG/MEETINGS/0820

Power the Marine Corps' Energy Efficient Vision

- ▶ Get valuable tips and information about the Marine Corps' power and energy challenges and investment strategy for long term, mid term and off the shelf solutions.
- ▶ Take advantage of extended Q and A sessions with Symposium speakers and special elevator pitch opportunities for select solutions that meet the Corps' immediate critical needs.
- ▶ Connect with partners — from start ups to established businesses — to transform your technology and solutions into valuable capabilities and growth opportunities.
