

Do nothing Save money!

Take CS for a test drive with no obligation. You'll be able to call your contacts, recent calls, and use your phone just like always and save up to hundreds of dollars per month.

Carrier-grade quality. We are not a VoIP company.

Do you have an Unlimited local Incoming Plan?

You'll save even more if you have an unlimited incoming call plan from your carrier, you could save 50% to 70% off your regular phone costs (see the savings calculator at www.cellsaver.ca).

No need to worry if you qualify to use your mobile phone for international calls. CS takes that worry away.

Save even more from rates as low as \$0.03c per minute to Europe and beyond.
