

Black Friday 2009 Shopping Guide

Black Friday will fall on November 27th this year. As in previous years, it is during this sales holiday that consumers are expected to flock to the stores to get the best deals they can find.

Black Friday is traditionally regarded as the start of the Holiday Season and comes right after Thanksgiving Day. It is the day when stores entice their shoppers to come even during the early hours of the morning so they can buy their favorite items ahead of everybody else. But before making any purchase, one should first make a research on what Black Friday deals are available to get the best value for their money.

ThanksgivingBlackFridayAds.com will make that easier for you as we have come up with samples of the best deals in a number of your favorite stores.

Amazon

Amazon is one of the best stores to find great prices this Black Friday. With Amazon, you don't have to wake up early and rush to the stores, because you could shop at the comfort of your home in front of your computer. They will again be doing their annual voting game, where shoppers vote on their favorite deals and have the chance of winning prizes.

Below are some samples of their bargain deals:

Wii Game Console - \$199.99

Samsung 46-Inch 1080p LCD HDTV - \$1,019.00

Men's Pro Diver Watch - \$73.99
