Contractor Business Solutions Northwest Named To Sage Million Dollar Club Sage Timberline Office and Sage Master Builder Partner, CBSNW, Exceeds \$1 Million In Annual Sales

Monroe, WA—December 2, 2009—Contractor Business Solutions Northwest (CBSNW), a Sage business partner specializing in the sales, implementation, and support of Sage Timberline Office and Sage Master Builder, today announced that it has been named to the Sage Million Dollar Club for the past fiscal year. CBSNW received this honor for exceeding one million dollars in annual sales of Sage products.

“It is through the combined efforts of many individuals and many business partners that Sage is able to provide our customers with top quality products and services,” said Jodi Uecker-Rust, president of the Sage Business Solutions division. “We extend our sincere congratulations to Contractor Business Solutions Northwest in recognition of joining the Sage Million Dollar Club for 2009.”

As a Sage Select Business Partner, CBSNW focuses exclusively on the Sage Construction and Real Estate product lines, including Sage Timberline Office and Sage Master Builder, as well as field-proven companion solutions.

“This recognition is especially significant during a year where contractors and the construction industry have been hit hard,” said Jon Newsom, managing partner of CBSNW. “Despite the economic downturn, our clients are realizing that it is an excellent time to invest in their technology infrastructure, putting the software tools in place that will allow them both to operate in a lean fashion now, and will equip them to be competitive in what could be a very different marketplace.”

###

About Contractor Business Solutions Northwest

For more than two decades, Contractor Business Solutions Northwest (CBSNW) has provided contractors in the Pacific Northwest with Industry leading software solutions for construction accounting and project management. With more than 100 years of combined hands-on experience working in the construction industry, our team has the expertise required to understand the specific business needs of today’s contractors and help them reach their strategic goals. As a Sage Select Authorized Partner, CBSNW sells, implements, and supports Sage Construction and Real Estate software, including the Timberline Office and Sage Master Builder product families.
