

The SmartBar Mini™

A Smaller Version of the SmartBar™

The SmartBar™ Mini offers all of the convenience of the SmartBar™. Constructed of unbreakable Plexiglas and lightweight but sturdy metal, it is a completely equipped portable bar featuring counter space, shelving, ice storage, and even a speed well. The SmartBar™ Mini is completely portable with optional battery power and you can also personalize with photographs, logos, event names, anything you can imagine! Take advantage of The SmartBar™ Mini for your special services:

SECOND BAR SERVICE

Cut down long drink lines at events by setting up a Smart Bar Mini to absorb traffic.

SPECIAL DRINK SERVICE

Want to offer clients a special Martini or Margarita Bar in addition to full bar service....the Smart Bar Mini is ideal.

HAPPY HOUR SERVICE

Sets up quickly and easily in your lobby (or wherever).

SAMPLING SERVICE

Perfect for full service beverage sampling at bars, restaurants, retail stores and catering facilities.

All Smart Space Products come with the most innovative cordless LED lighting technology.

You can select color changing options by remote control in the palm of your hand!
