StatusMe

Instant Communication

Do your members expect quick communication?

- Practice/Game is cancelled due to inclement weather
- Pool is closed unexpectedly for cleaning
- Unexpected schedule changes
- Emergency alerts
- Tournament coordination

Keep your organization and it's members **CONNECTED** with **StatusMe**.

- Club Administrators maintain status in one location
- Open, close, or partially open your facilities
- Create communication groups (i.e. Volunteers, U-14 boys, etc.)
- Members maintain their own contact information (emails and cell numbers)
- **StatusMe** automatically and instantly sends email and text messages upon status changes
- **StatusMe** automatically and instantly updates your website(s) with current status

Enjoy the benefits of **StatusMe**.

- IMPROVE your organization's customer service
- REDUCE your administrative expenses
- ELIMINATE your weather hot-line expenses
- COMPLIMENTS your existing registration system
- JOIN the cross-club status communication network of **StatusMe** clubs

WHAT IS STATUSME?

Statusme is delivering instant communications to your members using the latest technology. Our service puts an end to the lengthy process of phone calls, an end to the extra burden on your coaching volunteers to manage a calling tree, and an end to a burdensome update to your website. StatusMe automatically pushes the message to your members via text messaging, email and website integration! Sign up for a free trial to experience StatusMe and the newest way to enhance communications with your membership.
