Airport Meet & Assist

Fast Track Arrivals

After meeting you at the airbridge, we provide a fast track route through Immigration, and personal assistance with quarantine, visa-on-arrival, customs, baggage reclaim, and portage culminating in a smooth handover to our private Premium Track ground transport services, or to a passenger-booked driver or transfer.

Fast Track Departures

After meeting you at the kerbside drop off area we provide assistance with check-in and portage, and a fast track route through security lines and immigration to a lounge or boarding gate.

Prices

You can use Premium Track to get real-time quotes and to make bookings. All prices are in US\$ and fully inclusive, there are no additional gratuities or fees payable. If you can't find the service you need, or a price is currently unavailable online, we can process all requests via our 24X7 service centre.

Premium Services

Premium services are available in some airports and feature assistance with transferring between flights or terminals, terminal buggies, private tarmac transfers and / or access to special handling and private lounges. Premium services can only be booked via our support centre on +65 6879 2115

Airport Transfers

Booking

To make airport transfers even easier to arrange our Premium Track services are priced by zone within a city. So there is no need to hunt for post codes or input detailed foreign addresses at the time of booking. Just select the zone that your hotel or address is located in and the rest of the booking flows from there.

All our prices are in US\$ and fully inclusive, there are no additional gratuities or fees payable. If you can't find the service you need, or a price is currently unavailable online, we can process all requests via our 24X7 service centre.

Payment

Payment is collected from your credit card at time of booking. If additional costs arise as a result of a change in the booked ride, amounts due may be paid to the driver or charged to your card.
