Submit a New Story, Step 1 of 3

Please follow a few simple guidelines to make this site a better place:

- **Quality Content:** Is your story relevant to the site?
- **Link Directly to the Source:** Save people time by linking directly to the original news story.
- **Search First:** Avoid duplicate submissions by searching to make sure someone else has not submitted the story already.
- **Be Descriptive:** You are the story editor, so explain what it is and why it is cool.
