

Edvance360 Announces Record Breaking Year

Edvance360 LMS-SN (formerly Scholar360), an eLearning solutions and services provider, reported its revenues, new clients, and partnerships exceeded all projections for 2009. Edvance360 continued a pattern of substantial growth by increasing revenues 158% and increasing client roster 65%.

“We are delighted to report a record-breaking year in 2009—while in a recession,” said Cathy Garland, Vice-President of Marketing & Sales. “We feel this speaks volumes about our strong team and the valued solution we offer. Educational institutions feeling the budget-crunch have turned to us for our progressive social networking features, learner-centered tools, and affordable pricing. We look forward to the growth and opportunities to serve our clients that 2010 will bring.”

Significant Growth – In 2009, Edvance360 experienced an increase of 158% in revenue. It also increased the number of new clients, including corporations, non-profit organizations, and educational institutions by 65%.

Forward-Thinking Commitment – Edvance360 was the first LMS to combine social networking and other Web 2.0 tools (Wikis, blogs, RSS feeds, communities, live chat, etc.) with the academic features in a Learner Management System (LMS). Edvance360 remains committed to early implementation of the latest technologies to provide timely answers to the challenges of eLearning. To demonstrate this commitment, Edvance360 released its Version 4.4, which featured Common Course Cartridge integration and Learning Outcomes & Competencies.

Unparalleled Personal Support – Edvance360 is a demonstrated leader in its commitment to personalized support for its clients. Its successful formula includes:

- Hands-on training for school administration and faculty
- Full-service software implementation by dedicated Project Managers
- Consultation to provide positive ROI

About Edvance360

Edvance360, formerly Scholar360, is an internet-based Learner Management System (LMS) and secure social network that enables schools to implement a successful online academic program. Edvance360 equips schools, corporations, and organizations to host online courses, implement modular courses, and revitalize residential courses to make them more interactive.

Clients enjoy a high return on their investment, personalized support, and customizable solutions. A one-size-fits-all approach is not beneficial to clients, so Edvance360 is steadfastly committed to adapting Edvance360 LMS-SN to fit the needs of the rapidly changing world of education.

Edvance360 team members are experienced educators whose vision is to provide an easy to use, affordable, learner-centered LMS that enables students and faculty to engage in collaborative learning process. All the features in Edvance360 contribute toward engaging students in critical thinking, network building, and life-long learning habits.
