

Edvance360 Offers to Cut Current LMS Costs for Angel Learning™ Clients

(Norfolk, VA) Edvance360, LLC, a leading provider of eLearning services and software, has announced an offer to provide Edvance360 LMS-SN™ to current Angel Learning™ clients at a discount of 10% less than the schools currently pay.

“Schools now forced to look for an alternative solution to an Angel Learning™/Blackboard™ partnership can utilize our offer to cut their current LMS costs by 10%,” said Cathy Garland, Vice-President of Marketing & Sales. “The discount, combined with our migration tools, can make a transition less burdensome than schools anticipate. We believe schools will find our progressive social networking features, learner-centered tools, and unmatched personalized support will alleviate frustration and help them come out on top.”

We invite you to consider joining Edvance360. Edvance360 offers:

Unparalleled Personal Support – Edvance360 is a demonstrated leader in its commitment to personalized support for its clients.

Affordable Pricing – Edvance360’s pricing is significantly lower than any of the other commercial vendors. Pricing is regularly 30%-50% below competitor prices.

Forward-Thinking Commitment – Edvance360 was the first LMS to combine social networking and other Web 2.0 tools (Wikis, Blogs, RSS feeds, etc.) with the academic features in a Learner Management System.

Open Standards and Specifications – Edvance360 supports SCORM and Common Cartridge

About Edvance360

Edvance360 is an Internet-based Learner Management System (LMS) and secure social network that enables schools to implement a successful online academic program. Edvance360 equips schools, corporations, and organizations to host online courses, implement modular courses, and revitalize residential courses to make them more interactive. Edvance360 was designed by professors for professors, with input and oversight provided by many of the leading educational design experts, relational-learning experts, and partners.

Edvance360 provides an easy-to-use interface for students and faculty, course management and creation tools, hands-on training, fanatical support, a secure social network, Web 2.0 tools, and collaborative communities to help educational institutions build a networked learning environment.

Our clients enjoy a high return on their investment, personalized support, and customizable solutions. We do not believe a one-size-fits-all approach is beneficial to our clients, so we are steadfastly committed to adapting Edvance360 to fit the needs of the rapidly changing world of education.

Our team members are experienced educators whose vision is to provide an easy to use, affordable, learner-centered LMS that enables students and faculty to engage in collaborative learning process. All features in Edvance360 contribute toward engaging students in critical thinking, network building, and life-long learning habits.
