Join us for an evening of networking; make new contacts, build relationships and generate leads. This event is free and open to anyone who would like to grow their business. Bring a friend or forward this invite.

Guests will be treated to a special selection of local food and wine provided by the growers and producers who carefully crafted it. This is a great opportunity to learn a little about local food and the 'Locavore' movement; once you've tasted, you'll quickly appreciate the amazing bounty in your own back yard!
