

COLLEGIATEZONE®

CollegiateZone Enterprises, L.P., is a leader in providing college development tools for all high school and college students, and enhanced self-marketing tools for excelling performing arts and science students, and athletes. The CollegiateZone suite of services includes TOPQUEST, TOPSCHOLAR, TOPJOCK, and MindSight™.

CollegiateZone's vision is to educate and empower students and parents by providing the best and most technologically advanced tools, utilities and resources necessary to successfully navigate through the college prep maze.

"The search tool for institutional scholarships is a tremendous help. I'm still benefiting from it. I don't know of any way to find institutional scholarships without browsing every college Web site, or sitting with your counselor and having them point out where to find college specific scholarships. Topquest is like having a counselor with you every step of the college preparatory process, for every college."
