A COMPONENT OF
GLOBAL CONVENTION & EXPO ON ARCHITECTURE
CHICAGO 2010

Thinking about studying architecture or another part of the design/build industry?

Get a chance to talk to representatives from design schools nation-wide one-on-one about the programs they offer and see what's out there. You will be able to ask questions and compare the kinds of programs offered.

Don't miss out on this unique opportunity to connect with the colleges you've been considering or made not have even known about!
