Deltek Announces Third Annual Business Partner Award Winners

Annual awards recognize Deltek's top channel partners who have demonstrated outstanding achievements in marketing, selling, implementing, and supporting Deltek products in 2009

Herndon, VA—February 23, 2010—Deltek, Inc., the leading provider of enterprise applications software and solutions for project-focused organizations, today announced the winners of the company's third annual partner awards that recognize Deltek's top channel partners. Partners were recognized across a broad array of categories that highlight and celebrate the success they have achieved in marketing, selling, implementing, and supporting Deltek solutions.

The collective success of Deltek's business partners in 2009 demonstrates their importance to the company's long-term growth strategy. Building strategic relationships with channel partners is an important component of Deltek's plan to increase market penetration, geographical sales force coverage, and localized customer implementation and support.

"Our business partners are a key component of our strategy to expand our presence in the marketplace," said Carolyn Parent, EVP of Worldwide Sales. "It is with great pleasure that we announce our top-performing partners for 2009 across a broad array of categories. We want to congratulate each and every partner that contributed to our success in 2009, and we look forward to working alongside these companies in 2010 and beyond."
