## Central Consulting Group Named Winner of Deltek Channel Partner Award

---

**Minneapolis and St. Paul, MN—February 24, 2010**—Central Consulting Group (CCG), a leading provider of services and products that optimize the Deltek Vision environment, has been named a 2009 Deltek Partner of the Year. The Third Annual awards recognize Deltek's top channel partners who have demonstrated outstanding achievements in marketing, selling, implementing, and supporting Deltek products in 2009.

"Central Consulting Group is honored to be one of only three companies to win the 2009 Deltek Partner of the Year Award," said John Nelson, CCG President. "Deltek is a great company, we have a great business relationship, and we look forward to continuing our mutual success."

"As the most experienced implementer of Deltek Vision," Nelson continued, "CCG has been fortunate to have had the opportunity to build additional capabilities into our clients' environments. We have been able to work with Deltek and our clients to leverage the Vision platform, extending the benefits of the system and increasing the value of the solution for our clients."

In a press release distributed by Deltek on February 17, 2010, Carolyn Parent, EVP of Worldwide Sales was quoted as saying, "Our business partners are a key component of our strategy to expand our presence in the marketplace. It is with great pleasure that we announce our top-performing partners for 2009 across a broad array of categories. We want to congratulate each and every partner that contributed to our success in 2009, and we look forward to working alongside these companies in 2010 and beyond."
