Talon Air, Inc. Offers Five Brand New Hawker 4000 Super Mid Aircraft For Charter

The appeal of the Hawker 4000 is easily stated: it is the most advanced and luxurious super-midsize business jet in the world. The "clean sheet" design offers a sophisticated composite fuselage delivering the smoothest and most quiet flight for any mission. With an outstanding balance of speed, efficiency, comfort and responsiveness—plus a 3,280-nautical-mile range and 540mph cruise speed—the Hawker 4000 offers the comfort and amenities of a large cabin jet with the economics and hourly cost of smaller aircraft.

Length: 25 ft Height: 6 ft Width: 6.55 ft Range: 3,280 nm
