#### Details of required submission of Biographical Sketch

As a part of our participant promotion in the Amazing Architecture Race, we are requiring that each team submit a brief biographical sketch. Our preference is that this be done with a video YouTube. The video should be no longer than 3 minutes in duration. It should be entitled *Amazing Architecture Race Chicago 2010* with key words being the following: *Chicago, architecture, race, today, Millennium Park*, and any additional terms relevant to you. Your bio should introduce you and your partner by relationship, occupation, region of residence, and strengths and qualities you believe will give you an advantage in the race. The video will be used as information and current and future promotion for the race on our website, video channel, and broadcast media if requested. A written bio can be submitted in the event you choose to do so. We ask for the same information along with a team photo to assist our promotions in the same manner.

Your biographical sketch should reach us no later than *April 2, 2010*. Please inform us as to the completion of your upload if submitting the video.
