

NEW Burt’s Bees® Natural Multicare Toothpaste with Fluoride

-- Fact Sheet --

Experience the natural clean of Burt’s Bees® Natural Multicare Toothpaste with Fluoride, Cranberry Extract and a fresh natural Peppermint flavor. With regular brushing, the formula provides cavity protection and multiple benefits to naturally care for teeth and gums for a healthy and beautiful smile.

Burt’s Bees introduces a line of six natural*, effective toothpastes clinically proven to improve oral health. Each is formulated with real Cranberry Extract, known to block bacteria from adhering to teeth and gums, helping prevent plaque formation before it starts. Free from Sodium Lauryl Sulfate, as well as artificial colors, flavors, sweeteners, or preservatives, Burt’s Bees® Natural Toothpastes are the first and only natural toothpaste line of products to be certified by the Natural Products Association. Burt’s Bees® Natural Toothpastes are available with and without fluoride so you can choose what’s right for you and your family.

*Certified by the Natural Products Association
