**National Problem Gambling Awareness Week
March 7-13, 2010**

24-Hour Confidential Helpline 1.800.522.4700

Tips for Playing Responsibly

- Play for entertainment-not as a way to make money.
- Use your entertainment budget to play games-not money needed for everyday expenses.
- Accept losses as the cost of entertainment. Once your budgeted money is spent, don't continue to play, trying to win it back.
- Be aware that the risk for irresponsible behavior increases in times of depression or when consuming alcohol.
