**EXXOVA LAUNCHES REDESIGNED WEBSITE
BRINGING EXPANDED INSIGHT TO EXCELLENCE X INNOVATION CAPABILITIES**

Alpharetta, GA – March 16, 2010 – Exxova, a rapidly growing technology and outsourcing firm, announces today the launch of its redesigned and expanded website at www.exxova.com. Exxova's new home on the web provides increased visibility to Exxova's Excellence X Innovation focus, sharing client stories, insight to core methodologies and a showcase of recent work.

"As we continue Exxova's exponential growth, we are pleased to demonstrate our capabilities and experience through our new website," said Rick Maurer, Exxova's Co-Founder & Chairman.

Srinivas Koneru, Co-Founder and President added, "I'm extremely proud of the collaborative successes we've shared with our clients and the differentiated solutions Exxova brings to market. The opportunity to expand our showcase of strengths on the web is another important contribution we aim to make."

"We are fortunate that through the efforts of Exxova's Open Systems delivery team, we are able to develop and execute our much-improved site at the standard of quality we provide to our clients," said Arthur H. Mazor, Exxova's Chief Strategy Officer. He added, "I look forward to continuing to enrich the online experience at [exxova.com](http://www.exxova.com) as we bring additional thought leadership and perspective from Exxova in the near future."

ABOUT EXXOVA

Exxova serves its clients in complex technology, enterprise systems integration and business process outsourcing. Enabling clients to achieve high quality, cost effective outcomes through highly experienced associates in a multi-shore delivery model, Exxova provides capabilities in Human Resources, Retail & Supply Chain, Business Intelligence and Customer Relationship Management across industries and offers Industry-Focused solutions in Healthcare and the Public Sector. Based in Alpharetta, GA and with offices in New York, London and Hyderabad, Exxova is privately held and continues to grow rapidly as it has since the company's founding in 2005.
