**January 2010**

**Artist Brushstrokes, LLC – Nurture the Artist Within.™**

**ARTISTBRUSHSTROKES.COM - Official Distributor for Dynasty® & Black Gold® Brushes**

Artist Brushstrokes, LLC was established in January 2005. The founder of Artist Brushstrokes identified a need within the art industry to competitively provide one of the largest selections of premium quality, fine artist brushes and related products under one domain. Our management team has extensive experience with the brush industry from brush manufacturing, quality assurance, and ensuring your ultimate customer service.

We have established a strategic business relationship with FM Brush Company, Inc., one of the oldest and largest artist brush manufacturers in the United States. FM Brush/Dynasty has an established reputation of over 80 years of experience manufacturing and providing an expansive selection of quality artist brushes for a variety of mediums globally.

The type of artist brush styles offered on [www.artistbrushstrokes.com](http://www.artistbrushstrokes.com) suit the needs of a wide range of individuals from professional artisans, craftsmen/craftswomen, hobbyists, to school children of all ages. The key markets that we serve include: individual artists, retail arts & craft stores, the US Armed Services, and educational markets (from elementary school to the university level).

Each month we provide valuable coupons to our customers via our newsletter which saves you even more off our already competitive prices. So be sure to visit [www.artistbrushstrokes.com](http://www.artistbrushstrokes.com), sign up for our newsletter, and purchase what we believe are the best artist brushes on the market today.

Do you shop on **Amazon.com**? We have over 700+ Dynasty® & Black Gold® brushes available for you.

The Dynasty® brush hairs available include pure red sable, white synthetic blends, golden taklon, camel hair, white bristle, white taklon, and kolinsky red sable to name a few.

Choose from our popular Black Gold® Specialty series, unique Symmetry brushes, the patented Wave brush, or enjoy our industry standard rounds, liners, shaders, filberts, angles and much more!
