

Residential and Commercial Real Estate Services

OUR SUITE OF REAL ESTATE SERVICES AND SOLUTIONS

UrbanStar Real Estate is proud to announce formation of a full service real estate brokerage offering a complete range of commercial and residential services on a local and regional basis in Alberta. The foundation of our service is the strength and depth of our head office staff in Calgary. Our professionals know their communities and the real estate market, inside and out, and provide you with knowledgeable, creative solutions to all of your real estate needs.

BENEFITS TO YOU

- 100% commitment to our clients.
- Services and reporting personalized to meet your needs.
- Experience and market knowledge of our team

Residential Transaction Services

At UrbanStar Real Estate we realize that every residential transaction represents the most important purchase or sale an individual can make. We take every precaution to ensure that our communication is impeccable with all parties involved from the beginning to end. Whether it is patiently guiding first time buyers throughout the exciting process of purchasing their first home or working with a sophisticated investor with several real estate holdings in their portfolio, we have the knowledge and experience to provide a first class real estate experience.

- Buying a Residential Property
- Selling a Residential Property
- Marketing a Residential Property

Commercial Transaction Services

UrbanStar Real Estate's goal in representing commercial property for lease or sale is to maximize the return on our clients' holdings. UrbanStar Real Estate achieves this goal through our knowledge of local markets, our reputation as leaders in all of our local markets, and our ability to create innovative strategies and marketing campaigns for our commercial clients.

- Acquisitions, Dispositions and Leasing Services
- Property and Operations Management
- Real Estate Asset Management
