### **Dresser & Associates Partners With Advanced Processing & Imaging, Inc.**

#### **Sage Abra Business Partner, Dresser & Associates, to Offer Document Management Solutions to Its Sage Abra HRMS Clients Through New Partnership.**

---

**Scarborough, ME—April 6, 2010**—Dresser & Associates, the country's top Sage Abra HRMS (Human Resource Management System) provider, today announced a new partnership with Advanced Processing & Imaging, Inc. (API). API is a leading provider of electronic document management solutions to both public and private organizations.

The partnership means that Dresser & Associates may now sell and support API's suite of enterprise document management solutions, including OptiView® ECM, OptiView Web™, and Form Processor™. Through the straightforward integration of API's solutions with Sage Abra HRMS as well as other business applications, Dresser & Associates' clients may reap the benefit of electronic data access throughout their organizations.

"We seek out strategic partnerships such as this one with API," said Mark Dresser, president of Dresser & Associates. "Our mission is to provide value to our clients by helping them select and deploy technology that streamlines operations and accelerate processes. API's OptiView solutions fit well with that mission. Their enterprise-wide solutions save our clients time, money, and deliver measurable efficiencies."

API will be presenting at Dresser & Associates' Sage Abra User Conference, being held April 29, 2010 in Natick, MA.
