MedicalWristbands.com is owned and operated by National Ticket Company, a family owned and operated business, established in 1907.

We are one of the most respected names in printing and manufacturing wristbands. We pride ourselves on the quality and accuracy of our printing, dedicated employees, superb customer service and a long list of satisfied customers.

Expanding our Expertise to the Medical and Health Care Community

Backed by over a century of experience, National Ticket has become a world leader in providing wristbands to the mass entertainment and amusement industries. And now we are offering our quality products and customer service to the medical and healthcare industries via MedicalWristbands.com by providing high quality medical wristbands to help ensure patient safety and comfort.
