Computer Quote's car giveaway, in association with Wave 105 FM and Richmond Hyundai on the South Coast, has had a great response since the competition launched on 29 March 2010, partly due to the current buzz surrounding greener cars. More than ever before, people are looking for a more inexpensive way to drive; "green cars" often benefit from cheaper insurance and reduced rates in Road Tax.

One such example is the Hyundai i10, which boasts emissions of just 119g/km. Its green credentials mean that the i10 qualifies for a reduced Road Fund Licence (Road Tax) of a tiny £35 a year. Moreover, annual insurance cover could work out cheaper as this nippy 5 door city compact fits into a low insurance group.

However, why pay for a car and the costs that ensue, when you can win one for free? You have to be in it to win it, and this is the **last chance** to win a **Hyundai i10 ES** in association with Richmond Hyundai and Wave 105.2 FM. It comes fully taxed for a year and ready to drive away. We'll even include 7 days insurance (subject to status).

To enter the free prize draw, visit us online at [www.computerquoteinsurance.com/win](http://www.computerquoteinsurance.com/win) before **Midnight on Sunday 25 April 2010**. No purchase is necessary and you will be entered into the Wave Web Club to receive exclusive offers by email. The winner will be announced live on Steve Power's Breakfast Show on Wave 105, week commencing 10 May.

The Hyundai i10 ES comes with everything you need for a comfortable, safe and fun ride: air conditioning, electric front windows, driver and passenger air bags, keyless entry, remote central locking and immobiliser plus a CD player and 6 speaker sound system.

The efficient 1.1i engine delivers exceptional fuel consumption figures of 46.3 mpg (urban) 64.2 mpg (extra urban) and 56.5 mpg (combined). All this is backed up with an incredible 5 year warranty and 10 year anti perforation warranty, making the i10 ES a truly low cost car to own.
