

2go™ Convertible Classmate PC NL2 10" Netbook

Ultra-Mobile, Ruggedized, Powerful...

Another innovative product from 2go™PC that's ready 2go to work, to school or wherever life takes you !

2goPC's newest convertible classmate PC

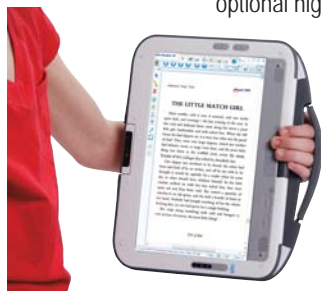

The new 10" 2goPC Convertible Classmate is the newest tablet from CTL. It features a rotating swivel touch screen display, pen-shaped stylus, and ruggedized design to always keep you moving. The 2goPC 10" Convertible Classmate PC is ideal for education, mobile workers, and people on the go.

Powerful design benefits from years of research.

2goPC has worked with ethnographic researchers who have carefully examined every aspect of the design. Key features like a retractable carrying handle, easy to hold rubberized surface, and reinforced corners for added protection. Every aspect of the new 2goPC 10" Convertible has been carefully designed to maximize your investment.

Best of Class features

Intel's new Pinetrail platform featuring the Atom™ N450 processor offers nearly a 40% increase in estimated battery life over previous netbooks. Featuring a swiveling, 4-wire resistive touch screen, DDR2 memory, Bluetooth, and an optional high resolution 1366x768 screen, the 2goPC 10" Convertible is ahead of its time.

Peace of Mind

Fully configured, 2go™PC 10" Convertible includes a full 1 year parts and labor warranty, further lowering total cost of ownership. Also, your configuration can include custom imaging, extended warranty options, asset tagging and end of life management.

2go™ Convertible Classmate PC NL2 10" Netbook

Built In eReader

Easy-to-control page up/down buttons with optimized eReader software, combined with an optional high resolution display offers a great reading experience.

Antimicrobial Protection

Keyboards tend to get dirty. This keyboard can be wiped down to remove germs & contamination. For added protection, it's optionally treated with an antimicrobial protective coating.

Educational Software

When used in an education environment, the 2goPC is available with a whole host of powerful education computing software for use in the classroom. Titles like Sync, Notebook, and Response from Smart offer classroom management, assessment and teaching capability. Also available are Theft Deterrent and Parental Control software from Intel®.

Webcam increases communication ability

Just because you're far apart doesn't mean you can't be in the same room. Enter the world of online communication and take advantage of the built-in high resolution 1.3 megapixel video camera to participate in a video conference, or simply chat with your friends face-to-face. The webcam also swivels independent of the screen, so if you are in front of the computer or across the room, you are ready to communicate.

Ruggedization

The 2goPC Convertible was built to be used. Features like a scratch and water resistant LCD Screen, spill resistant keyboard and touchpad, reinforced corners, shock mounted LCD screen, and an easy to hold protective rubberized surface safeguard your investment.
