Simply Give Us A Call – 1.800.406.5782

Even the smallest efforts can result in dramatic benefits when building a greener home.

Whether incorporating green building practices or installing energy-efficient products, you'll be creating a more cost-efficient and healthier living environment for you and your family.

- Toxin-Free
- Clean Air
- Low Energy
- Less Maintenance

Our **Efficient Living Upgrade** offers you a set of instructions specifically tailored to your house plan that your builder can follow to construct your home to meet nationally recognized green standards.

The Efficient Living Upgrade includes:

- Step-by-Step Guide
- Planning Specifications
- Durability Checklist
- Point Calculator
- Waste Management Plan
- Homeowner Welcome Pack

Learn how to build a greener home with the **Efficient Living Upgrade**, available today for only \$225. This is an incredible value that it will pay for itself, often in the first year of ownership!
