all natural makeup

**Always Kiss Tint Gloss** is applied with two distinct brushes. The first locks in moisture and the other infuses color, leaving lips with a natural, kissable finish with delicious shine.

**38° Big Eye Mascara** creates glossy voluminous lashes with a two-fold effect. One side of the wand boosts fullness and volume while the other side adds shimmering shine. Lashes will look longer and highly defined.

**Always Tattoo Dual Eyeliner** can last up to 24 hours with no mess. The brush eyeliner is resilient against sweat, sebum, water, and other frictions. The shadow tip liner can be used for blending and shading to create smokey eyes.

**Soft Finish Mineral Powder** is lightweight—leaving your skin a silky and smooth look.

**Always Triple BB** (SPF 30) is a multi-plex BB Cream with triple functionality (whitening, wrinkle care and UV protection) certified by the Korean FDA. Contains vegetable based UV protection, safe for sensitive skin, to preserve skin color and smoothness. Treats and transforms skin and minimizes pores even under makeup. Conceals red and hyper pigmented skin.

**Diamond Shiny Pearl BB** (SPF 27) keeps your skin moist and smooth all day long while removing uneven skin shadow with diffused reflection of light for a natural glow. Without any oil components, for a light and fresh feel after use. Safe and non-irritating natural UV protection.

**The Style Platinum BB for Men** (SPF 30) energizes and revitalizes skin while removing active oxygen that causes wrinkles. Prevents acne and with SPF30/PA++, this is an all-in-one package, made specifically for men.

**Premium Gold Mineral BB** (SPF 45) detoxifies, moisturizes, treats, and covers up the flaws of the skin with a natural glow that shimmers. Also contains a whitening, anti-wrinkle, and UV block of SPF 45 for an extra boost.

**Always Nuddy BB 24** was recently revealed as a top beauty secret of Asian celebrities. Creates a flawless no-makeup look while protecting sensitive skin. Developed with safe natural ingredients that won't damage skin.
