

A Snapshot of America's Entrepreneurs Online

For the full survey, go to: <http://www.CityMax.com/SmallBusinessWeek.htm>

Who Are You?

California is 'better' than New York for entrepreneurs. A surprising stat: the silver generation makes up 1/3 of entrepreneurs, but the newspaper is almost irrelevant to their morning routine.

Which state is the most entrepreneurial?

Business Growth

Most online entrepreneurs said they were not adversely affected by the recession. The majority are also foregoing long hours in favor of more efficient websites and SEO.

How did the recession affect your business the past year?
