Marriott Marina Del Rey Hotel Invites Guests To Celebrate Fourth Of July With A Bang *The Marriott Hotel Marina del Rey California offers limited number of guest rooms with view of annual fireworks show*

Marina Del Rey, CA – (5/28/10) – The Marriott Marina del Rey has a few rooms still available overlooking the Marina del Rey fireworks show. The annual show frequently shuts down Marina del Rey streets as crowds gather to watch the show. The fireworks Marina del Rey show begins at 9 p.m. accompanied by music heard on KXLU FM radio 88.9. Those interested in the Marriott Marina del Rey guest rooms should visit www.marriott.com/LAXMB

A barge floating in the channel between Fisherman’s Village and Breakwater launches the fireworks. Parking in Marina del Rey becomes scarce during and before the fireworks show, so attendees are advised to arrive early. However, the fireworks can also be seen throughout the marina and from most hotels, including the Marriott Hotel Marina del Rey. Hotel rooms at the Marriott Marina del Rey overlooking the fireworks show are limited and are booked quickly, so interested parties should contact the hotel.

This year the fireworks show is coordinated by Zambelli Pyrotechnics. The Zambelli family has worked for over 100 years with fireworks. Started in Italy, Zambelli Pyrotechnics has produced a countless number of fireworks displays, and the company follows the tradition of ending each show with a grand finale.
