

## **Advanced Polymer Trading Expands Into Pakistan and the Kingdom of Saudi Arabia**

*International plastic and rubber trading company defies the economic downturn and expands its operations into Pakistan and the Kingdom of Saudi Arabia*

Advanced Polymer Trading, an international trading company specialising in the world wide trade of rubber and plastic, is pleased to announce that it has expanded its operations to include Pakistan and the Kingdom of Saudi Arabia.

With a large customer base already in the Middle East, the Indian subcontinent (including Sri Lanka, Bangladesh and Nepal), the Commonwealth of Independent States (CIS) and Africa, APT are pleased to enter the markets of Pakistan and the Kingdom of Saudi Arabia.

“Pakistan and the Kingdom of Saudi Arabia are key markets for us” said Mr. Hamid Amiri, APT's Managing Director. “We are pleased to offer raw rubber materials like Ethylene Propylene Diene Monomer (EPDM) and plastics to these important countries.”

APT is no stranger to the Middle Eastern plastic and rubber material market. In just four years APT has gained a significant market share in several Gulf States including the UAE, Qatar, Bahrain and Iran. APT is a fast growing company and aims to continue increasing its market share in its existing countries of operations while also opening up new markets as it has done with Pakistan and the Kingdom of Saudi Arabia.

As a specialist in rubbers, rubber chemicals and plastics, APT offer world class pre-sales and post-sales technical support and pride themselves in their knowledge and expertise as well as their high level of customer satisfaction.
