HRMG Solutions Joins Forces With Dresser & Associates

Sage Abra partners, HRMG Solutions and Dresser & Associates, join forces to deliver world class sales, service, and support to Sage Abra HRMS customers and partners.

Blue Bell, PA—June 7, 2010—HRMG Solutions, a premier Sage Abra HRMS (Human Resource Management System) solution provider, today announced that it is joining forces with Dresser & Associates, the nation's top Sage Abra solution provider headquartered in Scarborough, Maine.

The move will allow the two companies to offer clients a total solutions package. Dresser & Associates, with its focus on adding value to Sage Abra customers through training, webcasts and customer events, will complete the total customer solutions approach.

"Both organizations are wholly focused on delivering employer solutions that address real-world business problems," said Ted Morse, President of HRMG Solutions. "By joining forces and leveraging our assets, we are able to expand both our offerings and our coverage to provide an even higher level of service to new and existing customers."

Together, HRMG Solutions and Dresser & Associates have a combined customer base of more than 1,000 clients.
