Contractor Business Solutions Northwest Acquires Construction/Real Estate Practice of ICS Support

CBSNW Will Provide Sales, Support, and Training Services for Sage Timberline Office and Sage Master Builder

Monroe, WA—June 9, 2010—Contractor Business Solutions Northwest, LLC (CBSNW) today announced that it has taken over the Sage Timberline Office and Sage Master Builder practice of the Redmond-based ICS Support. CBSNW, a premier Sage Authorized Partner specializing in business management solutions for the construction industry, offers sales, support, and training services to clients throughout the Pacific Northwest.

“We welcome the clients of ICS Support,” said Gerry Byrnes, partner with CBSNW. “Our firm is committed to delivering a tailored service offering that fits the needs of all of our clients. We look forward to working with each client, earning their trust and confidence as we help them maximize their technology investments.”

CBSNW’s senior management team includes Gerry Byrnes & Jon Newsom, both veterans of the construction industry. The team’s experience with Sage construction solutions dates back to the mid-1980’s and the company consistently ranks among the country’s most successful Sage Timberline Office and Sage Master Builder partners.

“I personally invite clients with questions or concerns about the transition to reach me at 800-209-6927, extension 1,” added Byrnes.
