

The best vendors at the best price. That's Procurex.

For purchasing departments, the bottom line is performance – finding the best-fit vendors at the best available price. Do it every time and your company can save thousands, even millions of dollars.

And that's exactly what Procurex has delivered for clients since 2002.

The latest e-sourcing technology. Six Sigma process implementation. Industry-leading bid practices.

Procurex provides measurable results:

- Procurex has saved clients, on average, 18% on budgeted costs
- Enhanced vendor service, quality and delivery
- Easier, simpler purchasing process
- Exceptional ROI

No job too big or too small...from energy and commodity sourcing to category management and aggregate buys.

**Procurex guarantees
to produce savings
equal to the cost of
the project...or the
project is free.**

Doing more with less. That's Procurex.

To increase efficiency while reducing costs in your company's purchasing function, something has to change. Procurex works with you to increase competition, broaden vendor participation, decrease cycle time, gain market price data and improve ROI.

Strategic consulting. Project management.

From a single purchase to complete outsourcing, you can do more for less with Procurex.
