Manhattan Beach, Calif. (6/10/10) - A fun weekend away at the Manhattan Beach Marriott just got even better. Considered the crown-jewel of the AVP tour, the Manhattan Beach Pro Volleyball Tournament is held on the beach just south of the Manhattan Beach Pier from August 19-22 and is just minutes from the hotel. For additional savings guests can take advantage of The Surf and Sand Weekend Package which offers breakfast for two, high speed internet access and self parking from \$159 per night. Rates are subject to availability. Visit the hotel Web site to book this great offer: <http://www.marriott.com/LAXMN>.

The Manhattan Beach Marriott is positioned three miles from Los Angeles International Airport (LAX) and minutes from Venice Beach and Malibu. The Manhattan Beach location makes it easy to meander to Santa Monica, Beverly Hills and Hollywood, rather than a hotel farther away in Burbank or Glendale. The hotel is an excellent choice for tournament guests who want to be close to the beach and right in the middle of the action.

The AVP Pro Volleyball Tour features the top male and female competitors in the sport. AVP athletes won both the women's and men's gold medals at the 2008 Olympic Games in Beijing, marking the first gold medal sweep by a single country in the history of Olympic Beach Volleyball. AVP is headquartered in Los Angeles, Calif., and volleyball players competing at Manhattan Beach say that winning there means a person has really "made it" on the AVP Tour.
