

MetroFax Expands Local Fax Number Availability

Local fax number availability spans nationwide with major expansion

BELLEVUE, Wash. ([PRWEB](#)) June 28, 2010 — MetroFax announces the immediate expanded availability of local fax numbers for customers in 18 states, and introduces local numbers in cities in 24 states and Puerto Rico. Now customers in 48 states from Maine to California, and Puerto Rico, can give their business a local connection to the communities they serve.

“Our customers know the value of connecting with local customers and that appearances matter. MetroFax local fax numbers provide a way to add a local presence to their organizations,” said Brent Wayland, CEO for MetroFax. “We know that in tough times, businesses face many challenges in attracting customers. A local fax number emphasizes a local presence and helps businesses make that all important first impression. We’re excited to expand our local fax number coverage across the country and Puerto Rico.”

Expanded local fax number availability

MetroFax has expanded local fax number availability in Arizona, California, Colorado, Florida, Georgia, Illinois, Massachusetts, Michigan, Minnesota, Missouri, Nevada, New York, North Carolina, Ohio, Oregon, Pennsylvania, Texas, and Washington.
