RE : WAKO representation in USA

Dear Mr. Babcock,

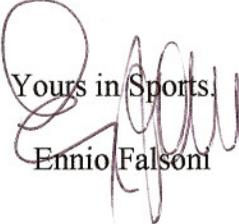

The World Association of Kickboxing Organizations, known as WAKO, recognizes and authorizes Kick International as the exclusive organization and designated National Governing Body to represent WAKO in the United States.

Kick International is registered in the United States as a not-for-profit 501c3 corporation and is the most recognized and accepted organization, thereby meeting all of the criteria required under the constitution and bylaws of WAKO to serve as its National Governing Body.

Kick International shall be the only organization in the United States authorized to manage and lead all disciplines and manner of kickboxing sports on behalf of WAKO. Only one organization, as duly recognized and appointed, can direct the development of WAKO in the United States and serve as the National Governing Body for all sports as required by the United States Olympic Association governing rules.

Kick International shall have, at its sole discretion, the authority to appoint its representative to WAKO by majority vote of the Board of Directors of Kick International.

Remaining at your disposal and looking forward to cooperating with your organization, I remain

Yours in Sports,

Ennio Falsoni
