Data migration to a new service is a challenge for all businesses. There is no time for downtime, IT departments may not have the knowledge or tools to perform a migration and the process is costly.

MigrationWiz is a complete cloud-based migration service that helps companies move from existing messaging systems to new messaging systems seamlessly and affordably by eliminating the need to manage on-premise software or hiring specialized consultants. Our innovative software is hosted in our highly available and secure datacenter.

MigrationWiz is a solution designed to meet the needs of individuals, employee-administrators, IT administrators, consultants, system integrators and service providers interested in migrating mailboxes.

Service Features and Benefits

• Easy to Use

Easy to use migration solution. Sign-up, configure, purchase and submit migrations in minutes with no prior experience.

• Cost-Effective

Lower the total cost of migration by using MigrationWiz. Cost effective and efficient migration solution for all businesses. Predict costs by paying a fixed fee for each mailbox migrated. We offer a tiered pricing structure based on the number of mailboxes being migrated.

• No Software to Install

No software for you to download or install. Our solution is hosted in a state of the art data center facility. Automated migrations eliminate the need for human interaction with mailbox information and data – providing secure communication between environments.

• Unlimited Scalability

MigrationWiz supports hundreds of thousands of simultaneous migrations at any given time.

• 24/7 Self-Service

Configure and start migrations 24/7, anytime, anywhere.

• 21st Century Migration Solution

Unlike other legacy migration solutions, MigrationWiz was built from the ground up to optimize internet based transfer.

• Trusted Brand

MigrationWiz is used in over 50 countries. Our global migration farm is used by companies that employ one to companies that are globally recognized.

• First-Class Support
