

Generate Sales Leads with **WebNet** Online Marketing Exclusively from Solamatrix!

Your personalized **Sun-Gard WebNet** site is an **online marketing tool** that includes Sun-Gard product information and makes it easy for you to generate leads and referrals. Sun-Gard WebNet sites are available to any dealer currently purchasing Sun-Gard films!

Features:

- **Your Own Personalized Website** – Your WebNet Site is branded to you and your business just like a website, but it includes lead generation and referral functionality, and costs a fraction of a traditional website.
- **Up and Running in Minutes!** – Complete a simple form, set up an account, and you've got an immediate online presence!
- **"Request a Free Estimate" Form** – Your potential customers can easily and quickly request an appointment for an estimate, based on the week days and times that you're open for business.
- **"Refer a Friend" Form** – Your WebNet Site can easily be shared with others, giving you a way to encourage referrals.
- **Tracking & Reporting** – Sun-Gard WebNet, powered by LinkBox™ technology tracks all of your appointment requests and referral activity with 24/7 online reporting, helping you keep your business organized.
- **Free URL** - A customized website address will help promote your business Example: www.sungarddealer.com/dealername
