## Investor Relations Services

### *An overview of our capabilities:*

- 1 Three broker dealers to provide bid support.
- 2 Four retail teams.
- 3 Individual that has a data base of over 14,000 brokers that trade micro and small cap stocks.
- 4 First Financial News Alerts.
- 5 Several posters that have been in the business for over 5 years each.
- 6 Individual that works with 600 independent brokers.
- 7 3 smaller phone rooms working with brokers and individual investors. They each maintain an active investor web site.
- 8 Funding up to \$25 million dollars.
- 9 All Social Networks.
- 10 Numerous Quality Newsletters.
- 11 At the same time as the email awareness turns into a call to action we manage the online financial blogs and real time blogs within our viral marketing. This includes twitter, facebook, board central, etc. We handle all interaction including sending copies of the emails we deploy and also supply a one sheet if needed. Our viral network has a reach of over 1 million.
- 12 We offer the service of handling investor inquires. Our phone number can be placed on all press releases.
