Introducing... Clear Face Turmeric Lotion

Nature's Secret to Clear Skin!

Passport to Organics™ is launching Clear Face Turmeric Lotion in the U.S. natural organics market. This healing lotion is formulated to promote clear skin without synthetic ingredients, parabens or preservatives.

The Secret of Turmeric...

- One of nature's most powerful herbs
- Used for centuries in India and Asia for clear, glowing skin
- Known for its anti-inflammatory and antioxidant properties
- The active ingredient in turmeric is curcumin
- Clinical studies have proven that curcumin has very powerful antioxidant effects which neutralize free radicals

Turmeric Plant

Turmeric Powder

Other healing certified organic ingredients in this lotion include:

- ALOE VERA
- COCONUT OIL
- OLIVE OIL
- JOJOBA OIL

About Passport to Organics

Beauty From Around the World

At Passport to Organics we find beauty secret ingredients from around the world, passed down from one generation to the next.

We search for tried and true natural organic solutions, since we believe natural is better.
