

LIFE IS A CONTACT SPORT. GEAR UP!

Life is a contact sport and having the right gear is a key part to succeeding. CooperVision is awarding 10 *additional* \$2,500 grants to help teen athletes "gear up" this fall through its Gear Up Grants program. New submissions are being accepted through Sept. 30. Don't forget to vote for your favorite entry from the first round and be automatically entered for a chance to win a year of contact lenses! The winners decide what gear they need.

Find out how to gear up

GEAR UP GRANTS

They say to never leave your goalie vulnerable. Having the right gear is a good place to start.

No ball, no cleats, no problem!

Having the right gear is crucial in competitive sports and CooperVision is committed to making this possible by giving away ten *additional* \$2,500 Gear Up Grants.

Practice is key, but it's focused players who keep their eyes on the prize. Submit your story today, and don't forget to vote for your favorite finalist from the first round!

Available Spokespeople:

- BMX phenom Daniel Dhers
- Olympic gold-medal winning soccer star Heather O'Reilly
- Sports vision expert Dr. Don Teig
