BUSINESS CONSULTANT

- Do you need to develop more business for your business?
- Do you need to develop a new product, service or market?
- Do you need capital for your company?

BACKGROUND

David H. Meadows has been the founder of businesses in publishing, software, printing and education, the largest of which now employs over 550 individuals. View www.davidhmeadows.com for details.

Meadows has a unique and rich set of experiences that provide business leaders and managers with unparalleled intellectual capital.

His core strengths include business development, fundraising and new media. His business acumen, creativity and experience enable clients to monetize ideas and benefit from his vast circle of influence.

Under his direction, he has produced numerous business initiatives that have led to national media, awards, innovative partnerships, financing and new opportunities for his companies and clients.

Meadows thrives on developing solutions for unique business challenges.

Meadows is a highly sought after public speaker and engages his audiences through real-world experiences that motivate and provide tangible “action-oriented” takeaways.

If you or your organization would like to benefit from Meadows fresh perspective, innovative ideas and market implementation, reach out today by calling 727-742-3300.
