A LIFE**

HERE'S HOW!

STEP 1

PLAN TO SHOW THE MOVIE THE WEEK OF SEP 6TH-12TH.

Host a movie night at your church or have your leaders host "house parties" for their group in their homes. That could double your youth group!

Order the DVD now with no money down* and for up to **40% OFF!** We'll bill you when your DVD's arrive August 3rd. You'll be getting help and hope to teens and their families and will be raising money for your youth group as well.

**Requires approval on an Easy Billing Credit Application. Must call to order 800-991-6011. See Outreach.com for details*

STEP 2

GET STUDENTS TO INVITE AT LEAST TWO FRIENDS AND GO BIG!

Get your students to invite friends that don't come to church, especially those who are lonely or hurting. See More Ideas in your Movie Event Planning Guide.

STEP 3

AFTER THE MOVIE, GO DEEPER.

Use the Discussion Questions and resources on the Movie Event DVD. Check out the To Save A Life Youth Curriculum or To Save A Family Curriculum. Check out ToSaveALifeLeaders.com and decide how you want to explore the themes from the movie.

STEP 4.

GO TO THE NEXT LEVEL.

Challenge students to be the change in their home, your school and church. Ask them what's their next move? What do they want their life to be about?

HERE'S SOME IDEAS:

Students could form a "Lunch Club" with friends and then invite new people

Join the movement with a group of like-minded people on Facebook.com/ToSaveALife

Reach out beyond your youth group and host another movie event in the community

Brainstorm some ideas for reaching out and helping others and make a plan
