SIZE

*PAW WIDTH:
measurement across
widest part of paw
when bearing weight

PERFORMANCE FIT:
contoured, athletic cut

Intended Use:

Cross-country skiing, back country skiing and snowboarding, snowshoeing, ski-joring, mountaineering, hiking, and walking in snow, ice, and other cold and inclement weather conditions.

Key Features:

- Vibram® Ictrek ice-specific sole compound with snow-gripping lug pattern provides superb winter traction
- Built on a paw-wear last to ensure consistent fit and sizing
- Three layer laminated soft-shell upper is DWR coated and is weather-resistant, wind-resistant, and breathable
- Cam buckle ankle strap and cord loop closure system stays closed in snow
- Knew-tec grip cuff helps keep the boot securely on dog's paw
- Extended gaiter height for added leg protection from elements and ski edges
- 3M® Scotchlite® reflective trim for 360° visibility
- Easy to operate & adjust in winter conditions while on the dog's paw
