FOR IMMEDIATE RELEASE

Better Vision with Natural Herbs

Irvine, California – September 1st, 2010 - Eyesight RX, natural eye formula developed by Dr. Ray Sahelian, M.D., is a revolutionary new vision support formula that may improve color perception, clarity of vision, day and night vision, distance vision, and the pleasure of looking at artwork, plants, nature. Eyesight Rx vision support supplies antioxidants to the tissues in the eye, including lutein, zeaxanthin, other carotenoids, and dozens of beneficial compounds that support and improve eye health.

About Advance Physician Formulas – Advance Physician Formulas, www.physicianformulas.com, provides science-based natural formulas developed by a medical doctor, top quality supplements with the highest grade raw material ingredients, along with reliable, honest, and friendly service.

About Ray Sahelian, M.D. - Dr. Sahelian has been writing about nutritional supplements for the over 20 years. His informative nutritional website, www.raysahelian.com is the highest visited site for vitamin news. Any information about vitamins typed in Google will bring up his website under the regular organic searches. Dr. Sahelian has written over 10 books about vitamins and nutritional supplements and sold over one million copies. His top two books, Mind Boosters and Natural Sex Boosters have helped thousands of people.
