Really Good Career Advice

Why CandidCareer.com over other Career Websites?

Variety – We have hundreds of video interviews from professionals in a wide variety of careers. There is something for everyone!

Personal Nature – The experiences of those currently working in a given profession are shared...you cannot get any closer to the truth!

Advice – The interviewees give practical advice such as ways to prepare and/or degrees to consider if attending college.

Convenience – Easy navigation and robust search capabilities allow users to quickly find informative career interviews that match their interests!

Students

- A fun and efficient way to explore careers! Similar in nature to YouTube.
- Discover career fields you did not even know existed and learn what it takes to get there.
- Save your favorites to help guide your college and/or career discussions with your parents and/or school educators.
- Use the advice to further educate yourself on your favorite careers, complete pre-requisites, and pursue job openings.

School Counselors, College Career Centers, & Parents

- Broaden your knowledge, and get in touch with different careers to become an effective counselor.
- Give your children /students access to a large library of people giving informative and practical career advice.
- Help your children /students organize and process the information gathered
- All interviews are approved prior to posting, and appropriate in nature.

New Career Seekers

- Want to change your career? Don't make any quick decisions! Fully explore all your options.
- Many of our interviewees have had more than one career. Listen and learn from their stories.
- Every interviewee tells us what it takes to be successful in his/her job, and the best personality suited for it. If you currently feel out of place in your career, do not make the same mistake twice!
