THE **GOLD** STANDARD
IN TRANSPORTATION

PRIVATE, SAFE, RELIABLE LUXURY TRANSPORTATION

Recognized as the Gold Standard in transportation, Gold Label Group Inc. manages Orange County and L.A. based Back Bay & Gold Label limousine. Presidential Limousine recently joined our family so we are pleased to service your ground transportation needs in San Diego as well.

Since 1982, **Back Bay Limousine** has become a preferred transportation provider in Orange County. With a presence in the corporate and leisure market, Back Bay has many customers who continue to patronize the blue sails today.

Gold Label Limousine services many corporate accounts looking for a reliable transportation provider from Orange County to Los Angeles. Our chauffeurs are professional and always on time! We recently expanded our exotic fleet and added a "Gold VIP" line concierge for any last minute airport requests or retail charters. The Gold Label crest is still a symbol of service today for many distinguished travelers.
