

## 10 Sexy Safe Money Tips

1. Remember the 2 rules of successful wealth building  
Rule #1: Never lose your money  
Rule #2: Never forget rule number 1
2. A penny safe, is a penny **you never have to earn again!**
3. **Having money market, whether its mutual funds, or stocks, (including 401ks, other qualified plans) could be totally at risk to loss!**
4. Having control and access to your money throughout your life is critical to a safe money plan
5. **When you have safe money, you can kiss the stock market roller coaster goodbye. Sleep like a baby knowing your money is safe.**
6. A strong financial foundation is a SAFE MONEY foundation...
7. **The wise man built his financial house on a rock of safe money, the foolish man built his house on the sand of investments.**
8. Putting your money in the market can be like rolling the dice in Vegas...remember casinos didn't get built by the house losing!
9. **A safe money plan could allow you to pinpoint your "Never work again number!" This is the day you could leave the rat race behind!**
10. A 101 Plan Foundation can give you the best of both worlds...guaranteed growth, control and access to your money, all while keeping your money safely out of the market.
