Credit 101 Course: Facebook Enrollment

Follow these simple steps to enroll into Credit 101 Course on Facebook. Links to the **group**, **application**, and **video tutorial** is below.

Step 1: Log into your Facebook account

Step 2: Join our Facebook Group

- Start at the search box on your menu bar
- Type in “**GDS 101**”
- Select GROUP and JOIN

Step 3: Get the E-Learning Application

- Start at the search box on your menu bar
- Type in “**UdutuLearn**”
- Go to application and allow permission

Step 4: Request Permission to take Course

Credit 101 Course will appear. Please go to “**Course Page**” to launch course.

*If course does not appear in your active course list, please hit the “**Course Search**” button on the right menu navigation. Next:

- Search for “**Credit 101**” in application search box
- Find course & Request Permission to take course
- Go to Course Page

Congratulations! Now you can launch CREDIT 101.

To launch course in the future start the [UdutuLearn](#) application found on your home page.
